

Hello Laurie, Pete, Pete 2, and Linda,

I am a student from Ferny Grove State High School, who just attended the Emu Gully Leadership Camp on Thursday and Friday.

I am writing to say a huge thank you for the experiences we had on those two days. I know that it was a huge challenge for everyone, and we all learnt a lot about ourselves and each other.

I believe I can say this on behalf of all the students that attended. We took so much away from that camp. We learnt more in those two days about leadership (and ourselves) than we probably would have learnt in all our years in high-school. I think we will all see a great change in each other from now on.

On a more personal note, I went away from the camp feeling more inspired and driven than I ever have (and exhausted!). In particular, the most amazing thing for me was how much we could communicate without speaking to each other!

I am a runner (40kms a week), and I am now going to put more effort into it than ever before. If I'm ever in a tough position, I'll always think about what we did on the camp, and how we all got through with the help of others. I will have more drive and perseverance in everything I do - whether it be school, or music, or running.

Thank you very much for how you treated us as adults, not a school children. We needed to be told when we did wrong or right, and you did that. It helped us improve continually throughout the camp.

Thank you and best wishes,

-Jazz (team Alpha).
