

Glenvale State School

Toowoomba

*Dear Darrin, Mr Rogers and Linda,
I attended Emu Gully on the 28th and 29th October with the grade 5's
from Glenvale State School.*

*The activities were fun and they were to do with team building. The
activities were very challenging. You had to work as a team with people
you would not normally pick to work with.*

*I learned that "It is not all about you". You have to work as a team. I
also learned the values and the character traits to help you in life.*

*I liked the activities that we did on the night walk. It was fun because it
was in the dark at night.*

*I can not think of any way the camp could have been improved in any
way.*

*Thank you for helping us with the activities and letting us fun. Emu
Gully is a fun place to stay and has lots of activities to do.*

*Yours Sincerely,
Caitlyn*
