Dear Darren,

I am one of the boys from the home-school group that camped at Emu Gully last week. I'm happy to say that I have changed my life and things are starting to look a little brighter. Thank you so much for all you have done. It was truly a life changing experience for me and the others. I'll never forget the time I spent at Emu Gully, the people I met and the lessons I learnt.

Thanks again,  
Zayd
