

Hi Gwenyth,

Thank-you so much for your assistance, and great patience, during the organisation of our camp. I really appreciate your efforts and helpfulness.

Our students had an outstanding time at your camp and have definitely come back better leaders. Personally, I was extremely impressed with the whole camp. I have been on numerous trips and I'd have to rate Emu Gully as the best experience I've had. We've basically talked of nothing else since our return!!!!

Thanks again,

Andrew
