Subject: Year 6 Camp

To the team at Emu Gully, including Shem, Linda, John and Pete. This was sent to us by one of our parents and thought it would be good to pass it on to you. Not often we get such praise from a parent and it is in no small part because of the wonderful program you put together. It is undoubtedly the best camp I have been on in many years. The chance for children to take away a true example of our core values and experience first hand what they mean in the wider context of our lives is very worthwhile.

Thanks again for a truly great experience. We are eagerly looking forward to next year!

Kind regards,

David, Matthew,

Just wanted to drop you a quick note to give support to the Emu Gully school excursion held recently.

Our Daughter Tess is running me through her various experiences a week later, so I thought I should communicate to you her enthusiasm.

In particular she enjoyed the challenges and concepts that flushed out the Emu Gully stated values of 'courage, perseverance, self-sacrifice and mateship' which I am sure underpinned this trip. She assures me she understands all four values, particularly self sacrifice. That was nice to hear.

So I reward the school for it's participation in such initiatives that can only enhance the core values of our younger citizens. You just could'nt give them enough of this stuff, so well done.

Please feel free to forward this correspondence to Emu Gully.

Regards,

Mark Larkham
