

To Darren, Pete, John, Pete & Anthony, who all took The Gap High Year 11 Camp this year,

Thankyou so much for such an amazing time at Emu Gully. The four days spent at camp were filled with experiences and memories that will last us all a lifetime. The camp was the best that any of us had ever been on. The five of you made our Emu Gully stay worthwhile and allowed us all to learn valuable life skills about what it means to be a leader. You made all of us realise how great the sacrifice the ANZAC's made truly was. Your teaching methods and amazing activities allowed us to all step outside our comfort zones and experience things we wouldn't be able to anywhere else. Your encouragement and praise inspired us all to strive to achieve anything we put our minds to.

The camp was the best four days ever and I cannot begin to thank you enough for the things you taught me. The skills you taught and the stories you told really opened my eyes to how lucky I am. The camp was such an enlightening experience, one that will change the way I go about my life.

Thankyou once again for your time and commitment to making our time with you at Emu Gully such an enjoyable one.

As a student of The Gap State High School I spent the last 4 days at the ANZAC themed camp and I would just like to say how much I appreciate all the people that made the camp the best camp I have ever been on. I learnt more than I ever expected about the ANZAC's and about myself. The camp also has inspired me to work in a place just like Emu Gully. Thank you again for the experience and inspiration.

Anna

The staff of Emu Gully,

Firstly I would just like to say that over the last four days that I have spent at Emu Gully I have learnt so much which is beneficial in both school and life in general. I have just moved from a small country town into Brisbane, this camp has really shown me how a good leader will work and how important team work, mateship, courage and self sacrifice really is. I will never forget this camp and will remember all the stories that were told and the achievements which as a team we managed to complete by gowing closer together and fully committing to each other.

None of this would have been shown to me if I didnt come to Emu Gully and especially without the help of all your staff. I am very appreciative of the time and effort all of your staff go through and will encourage others to attend Emu Gully to hopefully get the same outcome as I have.

Thanks a lot for all you have done,  
Nicole (The Gap State High School)
