Dear Barry and the Emu Gully team

On behalf of the Year 8 class of Toowoomba Christian College, we would like to thank you for the wonderful time we had at Emu Gully on Friday 26 February 2010.

By all accounts it was the best time the school has had to date with a Year 8 class at Emu Gully.

Lynda, Shem and Peter were excellent in their execution of the activities including the briefs and debriefs. We know the students left that day with a renewed understanding of the sacrifice that our forefathers put into protecting our country.

In addition to this, the goals we set for the day (that of team work, facing fears, making new friends and challenging ourselves) have changed how we can approach the Year 8 students by reminding them of the lessons learnt and how we can apply it to our everyday situations.

So once again, thank you so much for what you are doing in the lives of our young people.

Yours in education
